Firm Announces Deal Closing Of AN HVAC Contractor On The Jersey Shore

Atlantic Highlands, NJ – May 5, 2026 - [A Neumann & Associates, LLC](#), a market leading Mergers & Acquisitions and business brokerage advisory firm headquartered in New Jersey with multiple offices along the East Coast just announced the sale of an HVAC contractor.

The Residential & Light Commercial HVAC Contractor (Niche in Radiant Heat) has provided quality heating and air conditioning services to the local Ocean County and surrounding NJ/PA region for over 25 years. The company has experienced consistent revenue growth with high operating margins. The 2,000 SF facilities (including sheet metal fabrication) are perfectly suited to servicing the local target market.

This is a turnkey operation with experienced management and technicians in place plus an owner that is willing to stay on in an advisory role. It is projected that a new owner will obtain compelling additional growth by expanding the direct sales efforts to serve a wider territory with a minimal personnel investment

The company had been fully reviewed and conservatively appraised by a national valuation firm at 4.1x EBITDA (ttm). A full valuation report was included

As in many previous transactions, A Neumann & Associates successfully provided the introduction to various acquisition lenders for this \$1M transaction.
