Atlantic Highlands, NJ – July 16, 2026 - [A Neumann & Associates, LLC](#), a market leading Mergers & Acquisitions and business brokerage advisory firm headquartered in New Jersey with multiple offices along the East Coast just announced the sale of a heavy construction company.

This well-known Heavy Construction Company provides road and sidewalk construction, paving as well as the building of athletic fields to state agencies and local municipalities. This business currently operates from a conveniently located 13,600 sq. ft. owned location with a combination of office, warehouse and storage space which is available for purchase under separate agreement.
